

A close-up photograph of a bee on a red flower. The bee is positioned in the lower center, facing upwards. Its body is covered in yellow and black stripes, and its wings are transparent. The flower it is on has bright red petals. In the upper left background, there is a dark, textured structure resembling a honeycomb or a cluster of small flowers. The overall lighting is warm, highlighting the textures of the bee and the flower.

**THEREFORE
YOU SHALL BE
PERFECT,
JUST AS YOUR
FATHER
IN HEAVEN IS
PERFECT.**
